- Standard appointments are 50 minutes (plus an additional 10 + mins for clinical prep, planning & paperwork)

Payment is expected at the time of your appointment, or credit from your account is to be used, unless you are funded by another service in which case we will invoice the provider.

If you are using a Disability Allowance to pay, please ensure you have enough credit to pay for your appointment or a part payment will be required on the day. It is your responsibility to arrange Work and Income funding, and should Work and Income not pay for any reason, you will be responsible for settling your account.

Please change or cancel your appointments with at least 24 hours' notice or a late cancellation fee may apply. We greatly appreciate at least 48 notice so we can offer the appointment time to others who also need support.

You may be liable for an additional 25% of your account for recovering outstanding fees and your account may be passed on to a third party if you do not settle your account within 60 days.

We kindly remind you that it is your responsibility to immediately cancel a redirection of a Disability Allowance or an automatic payment to Anxiety New Zealand if you no longer intend to use the service. Credits will be used for services at Anxiety New Zealand.

Kind regards

Anxiety New Zealand
